FINEST OF THE FINEST FRONTIERS

Gnyanamani Educational Institutions were established in a well planned, lush green, environment friendly campus of 60 acre. The campus located on the Salem - Namakkal National High way (NH-7) and well connected by road and railway networks from all major cities. The Institution has emerged as a pioneer in the field of Technical Education.

Gnyanamani College of Technology is approved by AICTE, New Delhi, affiliated to Anna University, Chennai, Accredited By NBA & NAAC with 'A' Grade, New Delhi, Recognized by UGC, New Delhi and an ISO 9001-2015 Certified.

AGRICULTURAL ENGINEERING – SCIENCE OF CROP

LABORATORIES

- Crop Husbandry Laboratory
- Surveying and Levelling Laboratory
- Fluid Mechanics Laboratory
- Soil Science Laboratory
- Strength of Materials Laboratory
- Operation and Maintenance of Farm Machinery Laboratory
- Post Harvest Engineering Laboratory
- Irrigation Field Laboratory
- CAD for Agriculture Engineering
- Food Process Engineering Laboratory
- GIS Laboratory for Agricultural Engineers
- Renewable Energy Laboratory

FIELD OF RESEARCH

- Irrigation Engineering
- Geoinformatics
- Soil and Water Conservation
- Farm Machinery

CLUB

- Farm Mechanization Club
- Agro Club
- Agriprenurship
- Agricultural Marketing Club

VALUE ADDED COURSES

- Seed Testing & Quality Regulation
- Robotics and Drones Application for Plant Protection
- Hydroponics
- Fundamentals of Plant Breeding and Genetics

TRAINING PROGRAMS

- Agricultural Practices
- Economic Importance of Plant Parasitic & Entomo-Pathogenic Nematodes
- Post harvest Management and Value Addition
- Supply Chain Management of Agricultural Commodities and Enriching Value Chains
- Recent Advances in Irrigation and Drainage Systems for Precision Agriculture and Sustainable Production in Semi-arid Conditions

ARTIFICIAL INTELLIGENCE AND DATA SCIENCE – EMPOWERS THE NEXT GENERATION

LABORATORIES

- Digital Logic and Design Laboratory
- Data Structures Laboratory
- Case Tools Laboratory
- Operating Systems Laboratory
- Database Management Systems Laboratory
- Computer Networks Laboratory
- Machine Learning Laboratory
- Compiler Engineering Laboratory
- Fuzzy and ANN Laboratory

FIELD OF RESEARCH

- Robotics
- Computer Vision
- Natural Language Processing
- Recommender Systems
- Algorithmic Game Theory and Computational Mechanism Design
- Deep Learning
- Bigdata Analytics
- Reinforcement Learning

CLUB

- Robotics Club
- Data Science Club
- IoT Club

VALUE ADDED COURSES

- Internet of Things-(IoT)
- Python Programming
- R Tool, Tableau, Tensor Flow and Jupyter
- Hadoop

TRAINING PROGRAMS

- Data Analytics Tools
- Data Visualization
- Robotics Process Automation by Automation anywhere
- Effective Utilization of Digital Tools

BIOTECHNOLOGY –

MAKING INNOVATIONS FOR GLOBAL SUCCESS

LABORATORIES

- Biochemistry Laboratory
- Bio-organic Laboratory
- Microbiology Laboratory
- Cell Biology Laboratory
- Chemical Engineering Laboratory for Biotechnologists
- Molecular Biology Laboratory
- Bioprocess Laboratory - I & II
- Analytical Methods and
- Genetic Engineering Laboratory
- Downstream Processing Laboratory
- Immunology Laboratory

FIELD OF RESEARCH

- Biopharmaceuticals / Pharmaceutical Technology
- Microbial Biotechnology
- Plant / Animal Biotechnology
- Cancer Research
- Green Energy Technology / Solar Energy
- Nanotechnology
- Food Technology
- Algal Technology
- Briquettes technology

CLUB

- MASTER CLUB: Research Activities
- CLUSTER CLUB: Personality Development

VALUE ADDED COURSES

- Microbial New Strain Development
- Computational Biology
- Instrumentation and Process Control
- Drug Designing and Product Development

TRAINING PROGRAMS

- Handling of Bioanalytical Instruments
- Training on Plant Tissue Culture
- Training on Animal Handling for Preclinical Studies
- Training on Algal and Mushroom cultivation

BIOMEDICAL ENGINEERING – INVENTOR OF LIFE MACHINES

LABORATORIES

- Bio Science Laboratory
- Pathology and Microbiology Laboratory
- Human Physiology Laboratory
- Integrated Circuits Laboratory
- Digital Signal Processing Laboratory
- Biomedical Instrumentation Laboratory
- Diagnostic and Therapeutic Equipment Laboratory
- Digital Image Processing Laboratory

FIELD OF RESEARCH

- Bioinformatics
- Bioinstrumentation
- Biomaterials
- Biomechatronics
- Biomedical Imaging and Image Analysis

CLUB

- MediRig's Club - Student Enhancement Activities
- Medical Device Club - Hands on Activities for Equipment

VALUE ADDED COURSES

- Medical Coding
- MATLAB for Biomedical Instruments
- Hospital Instrumentation Training

TRAINING PROGRAMS

- Industry Institute Interaction
- Hospital Inplant Training

CHEMICAL ENGINEERING –

THE PROFESSION FOR INTELLIGENT PEOPLE

LABORATORIES

- Chemical Analysis Laboratory
- Mechanical Engineering Laboratory
- Electrical and Electronics Engineering Laboratory
- Fluid Mechanics Laboratory
- Organic Chemistry Laboratory
- Mechanical Operations Laboratory
- Heat Transfer Laboratory
- Professional Communication
- Computational Programming Laboratory for Chemical Engineers
- Chemical Reaction Engineering Laboratory
- Mass Transfer Laboratory
- Process Control Laboratory

FIELD OF RESEARCH

- Chromatography
- Water Analysis
- Waste Water Treatment
- Bio Fuels
- Corrosion

CLUB

- Chemical Club
- Chem CADD Club

VALUE ADDED COURSES

- Industrial Safety
- Chromatography
- Corrosion Engineering

TRAINING PROGRAMS

- ASPEN PLUS
- ASPEN HYSIS

COMPUTER SCIENCE AND ENGINEERING – RIVULET OF LIFE

LABORATORIES

- Problem Solving and Python Programming Laboratory
- C Programming Laboratory
- Data Structures Laboratory
- Object Oriented Programming Laboratory
- Database Management Systems Laboratory
- Operating Systems Laboratory
- Object Oriented Analysis and Design Laboratory
- Networks Laboratory
- Internet Programming Laboratory
- Mobile Application Development Laboratory
- Security Laboratory
- Cloud Computing Laboratory
- Data Analytics Laboratory
- Compiler Design Laboratory
- Computer Graphics Laboratory

FIELD OF RESEARCH

- Machine Learning and Artificial Intelligence
- Networking and Image Processing
- Internet of Things and Data Analytics
- Data Mining / Web Mining and Cloud Computing

CLUB

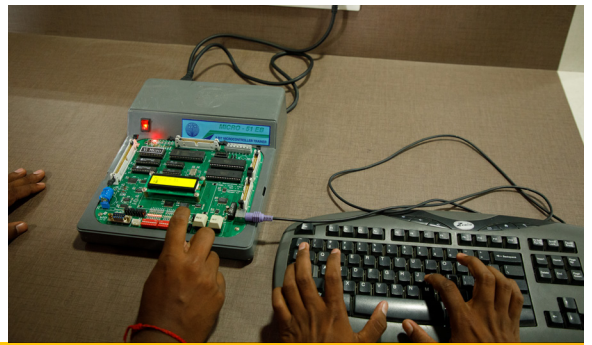

- Java Club
- IoT Club
- Linux Club

VALUE ADDED COURSES

- Data Analytics
- C,C++, Java and J2EE
- Web Development
- Android Application Development
- Multimedia and . NET
- Hardware and Net working
- Machine Learning with Python

TRAINING PROGRAMS

- Robotics Process Automation by Automation Anywhere
- Effective Utilization of Digital Tools
- Domestic Biometric Data Entry Operator through PMKVY Scheme
- Domestic Data Entry Operator through TNSDC Scheme

ELECTRONICS AND COMMUNICATION ENGINEERING

SPARKLE OF SATELLITES

LABORATORIES

- Digital Electronics Laboratory
- Electronic Circuits Laboratory
- Linear Integrated Circuits Laboratory
- Digital Signal Processing Laboratory
- VLSI Design Laboratory
- Micro Processor and Microcontroller Laboratory
- Communication System Lab
- Optical and Microwave Lab

FIELD OF RESEARCH

- VLSI Design
- Digital Signal Processing
- Digital Image Processing

CLUB

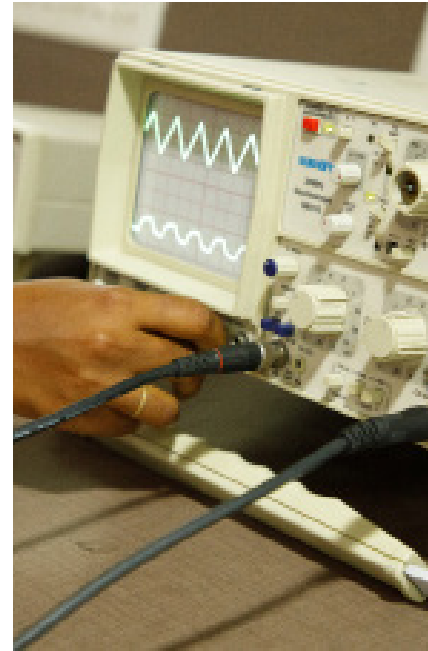

- ROBOTICS CLUB : Develop Mini Projects
- CLUSTER CLUB : Personality Development

VALUE ADDED COURSES

- Embedded Systems
- Lab View
- VLSI
- IOT

TRAINING PROGRAMS

- Training on Arduino & Raspberry Pi
- Training on Digital & Analog VLSI Design

ELECTRICAL AND ELECTRONICS ENGINEERING – BEADS OF POWER

LABORATORIES

- Electrical Machines Laboratory
- Engineering Practices laboratory
- Measurements & Instrumentation Laboratory
- Control Systems Laboratory
- Power System Simulation Laboratory
- Power Electronics Laboratory
- Electrical Drives & Control Laboratory
- Electronic Design Laboratory
- Renewable Energy Systems Laboratory
- Embedded Systems Laboratory
- Power Electronics and Drives laboratory

FIELD OF RESEARCH

- High Voltage Engineering - Partial Discharges Studies on Electrical Power Apparatus.
- Power System - Online Monitoring of Outdoor Insulators
- Power Electronics and Drives – Power Electronics Converters, Soft Computing Techniques
- Renewable Energy Sources

CLUB

- Gnan Expert Club - High Voltage Testing
- Green Energy Club - Renewable Energy Sources
- Embedded Systems Club - Develop Projects

VALUE ADDED COURSES

- MAT LAB
- PCB Designing
- Lab VIEW
- Electrical CAD

TRAINING PROGRAMS

- Industrial Automation (PLC / SCADA)
- Robotics & Embedded Systems
- Internet of Things

FOOD TECHNOLOGY – PROFESSION OF HEALTHY HOPE

LABORATORIES

- Biochemistry Laboratory
- Food Microbiology Laboratory
- Food Chemistry and Nutrition Laboratory
- Food Analysis Laboratory
- Unit Operations Laboratory
- Food Processing and Preservation Laboratory
- Fruit and Vegetable Processing Technology Laboratory
- Baking and Confectionery Technology Laboratory
- Dairy Process Technology Laboratory
- Testing of Packaging Materials Laboratory

FIELD OF RESEARCH

- Product Development (PD)
- Quality Assurance (QA)
- Food Chemistry and Nutrition
- Food Process Engineering
- Food Safety Management

CLUB

- MASTER CLUB: Research Activities
- CLUSTER CLUB: Personality Development

VALUE ADDED COURSES

- Food Quality Assurance
- Food Business Management
- Food Safety and Standards

TRAINING PROGRAMS

- Handling of Spectrophotometer
- Training on Algae Production

INFORMATION TECHNOLOGY – RIVULET OF LIFE

LABORATORIES

- Problem Solving and Python Programming Laboratory
- C Programming Laboratory
- Data Structures Laboratory
- Object Oriented Programming Laboratory
- Database Management Systems Laboratory
- Operating Systems Laboratory
- Web Technology Lab
- Networks Laboratory
- Object Oriented Analysis and Design Laboratory
- Mobile Application Development Laboratory
- Security Laboratory
- FOSS and Cloud Computing Laboratory

FIELD OF RESEARCH

- Web Development
- Networking
- Data Analytics
- Web Mining and Cloud Computing

CLUB

- Java Club
- IoT Club
- Linux Club

VALUE ADDED COURSES

- Data Analytics
- C, C++, Java and J2EE
- Web Development
- Android Application Development
- Multimedia and .NET
- Hardware and Net working
- Machine Learning with Python

TRAINING PROGRAMS

- Robotics Process Automation by Automation Anywhere
- Effective Utilization of Digital Tools

MECHANICAL ENGINEERING – THE SCIENCE OF MACHINES

LABORATORIES

- Engineering Practices Laboratory
- Manufacturing Technology Laboratory
- Computer Aided Machine Drawing
- Strength of Materials and Fluid Mechanics & Machinery Laboratory
- Kinematics and Dynamics Laboratory
- Thermal Engineering Laboratory
- Metrology and Measurements Laboratory
- CAD. / CAM. Laboratory
- Simulation and Analysis Laboratory
- Mechatronics Laboratory
- R & D Laboratory

FIELD OF RESEARCH

- Composite Materials
- Renewable Energy
- Unconventional Machining Process
- Industrial Safety
- Heat Exchangers
- Refrigeration and Air Conditioning

CLUB

- Robotics Club
- Mech Media Club
- Mech Techiez Club

VALUE ADDED COURSES

- Solid Works
- Hypermesh
- Catia

TRAINING PROGRAMS

- NDT Training
- Welding through TNSDC and PMKVY Scheme.
- Fire and Safety Training

PHARMACEUTICAL TECHNOLOGY – REVOLUTIONIZED INSIGHT IN PHARMACEUTICAL INSTRUMENTATION

LABORATORIES

- Biochemistry Laboratory
- Physical Pharmaceutics Laboratory
- Microbiology Laboratory
- Analytical Methods and Instrumentation Laboratory
- Molecular Biology and Genetic Engineering Laboratory
- Physiology and Pharmacology Laboratory
- Medicinal Chemistry Laboratory
- Bioprocess Engineering Laboratory
- Technology of Dosage Forms Laboratory
- Bio Pharmaceutics and Pharmacokinetics Laboratory
- Chemistry of Natural Products Laboratory

FIELD OF RESEARCH

- Pharmaceutical Chemistry
- Natural Drugs
- Clinical Research and Clinical Pharmacy
- Pharmaceutical Biotechnology

CLUB

- JOURNAL CLUB : Research Activities
- SOCIETY CLUB : Enhancing Students Overall Personality

VALUE ADDED COURSES

- Pharmaceutical Industrial Training
- Basics of Diagnostic Pathology
- Screening Models on Various Pharmacological Activity

TRAINING PROGRAMS

- Training on Pharmacovigilance
- Training on Pharmaceutical Process
- Handling of Pharmaceutical Formulation and Entrepreneurship

MASTERS OF BUSINESS ADMINISTRATION & MASTER OF COMPUTER APPLICATIONS – MASTER OF THE MASTERS

SPECIALIZATION

- Finance
- Human Resource
- Marketing
- Systems
- Operations

LABORATORIES

- Business Application Software Laboratory
- Communication Laboratory
- Web Development Laboratory
- Multimedia Laboratory
- Android Application Development Laboratory

FIELD OF RESEARCH

- Market Research, HR Policies Research and Entrepreneurial Research Carry over by Concerned Students Club
- In the final Year Project the Students are Analyzing the Current Problem given by the Concerned Companies
- Data Warehouse and Data Mining
- Network Security
- Software Engineering
- Image Processing
- Query Processing and Evaluation
- Cryptography
- Testing and Metrics and Measurements

CLUB

- HR Clubs, Finance Club
- Marketing Clubs
- Entrepreneurship Club
- Multimedia Club
- Web App Design Club
- Programming Club
- Alumni Club

VALUE ADDED COURSES

- Certificate Course on Digital & Social Media Marketing
- NISM Certification in Mutual Fund
- Certification in Business Analytics
- C++ and .Net
- Multimedia Design
- Advanced J2EE
- R-Programming

TRAINING PROGRAMS

- Executive Training Programmes on MS Office
- Training Programme on HR Statutory Compliance & Compensation
- Data Analytics' Programme on Research - Using SPSS & AMOZE Software
- Advanced Training Package on Tally 9 ERP Software
- Android App. Development
- Personal Skill Development
- Career Development
- Hands on Training in Hardware

SCIENCE & HUMANITIES – ADVENTURERS OF FUNDAMENTALS

LABORATORIES

- Communication Skills Laboratory
- Engineering Physics Laboratory
- Engineering Chemistry Laboratory

FIELD OF RESEARCH

- Approved Chemistry Research Laboratory
- Corrosion Science and Engineering
- Environmental Engineering

CLUBS

- Science Club
- Mathematics Club
- Cultural Club
- English Club

VALUE ADDED COURSES

- Communicative English (Listening, Speaking, Reading and Writing)
- Maths Aptitude
- Soft Skills Training and Development

TRAINING PROGRAMS

- Hands on Training for Python Programming
- Communication & Interpersonal Skills
- Problem - Solving Skills
- Time Management

LIBRARY – HOUSE OF WISDOM

PLACEMENT TRAINING CELL

FROM CAMPUS TO CORPORATE

CARE FOR CAREER

Training & Placement :

We achieve our placement targets through well planned training.

Communication Skills Training :

Exclusive Communication Skills Software lab is set-up for self learning / assessment of the Students. Communication skills training is provided from second semester onwards along with TOEFL, GRE, GMAT and IELTS. Exclusive practice is given for Listening, Speaking, Reading and Writing.

Aptitude Training

Technical Aptitude Training:

Free book of materials & training are provided for Maths Aptitude and the soft copy is uploaded in all labs & all students laptops for self learning assessment.

Maths Aptitude Training :

Free book of materials & training are provided for Maths Aptitude and the soft copy is uploaded in all labs & all students laptops for self learning assessment.

Soft Skills Training :

Soft skills Training is provided for Personality development, Self Motivational, Group Discussion & Self Confidence building.

Value Added Courses:

For Engineering Students, value added courses like C, C++, Java, net, SQL, MCSE, RHCE, CISCO, CAD, MAT Lab, Pro / E, .NET and Networking, etc. are provided at free of cost.

For MBA, certifications are made compulsory for SAP, SPSS and Tally Training is given for exams like NSE, IRDA, NCFM, etc.

NPTEL (National Programme on Technology Enhanced Learning)

The audio visual resource materials have been made available from IIT's to provide the students with updated technology and materials on par with world class learning materials.

HIGHER EDUCATION CELL

Provides Guidance, Training and Materials for GATE, CAT, TOEFL, GRE, GMAT and Civil Service.

ENTREPRENEURSHIP DEVELOPMENT CELL

Students with innovative ideas are made as entrepreneurs by providing initial finance support through our incubation centre.

RESEARCH & DEVELOPMENT CELL

- Researchers are guided and facilitated to explore global level.
- IIT Bombay recognized remote centre for research.
- Gnan Expert-A Centre of Excellence in Electric Power Engg. Research.
- Anna University approved centre for Research leading to Ph.D.
- Consultancy and testing services to Government and private organizations.
- Centre for Excellence in BOT Lab with Automation Anywhere Inc., USA.
- Research Collaboration through MoU with Universiti Malaysia, Pahang.

ALUMNI TESTIMONIALS

KAVIYA CSE

SOFTWARE DEVELOPER, OBJECT FRONTIER SOFTWARE LTD (OFS)

Gnanamani offered me a great platform for my career. I learned a lot of things in my college days. Staff and placement team encouraged me to place in MNC. Gnanamani moulded me to become a fearless speaker and facilitated a plenty of opportunities for my career growth and placement.

MS MALINI ECE

SOFTWARE TRAINEE, ASPIRE SYSTEMS

My experience in Gnanamani was tremendous and a great place for students to shine in their career. Being a part of this institution is an honor. Our institution offered a sea of opportunities to students to build their career. Gnanamani has moulded and polished my skills. I really feel proud to be a part of Gnyan Family. I owe Gnanamani so much.

- Student Chapter of ISTE
- Gnyan Fest - Cultural Expo
- Annual Sports Meet
- Gym for Physical fitness
- Red Ribbon Club (RRC)
- IE Students Chapter
- Robotics Club

WARDS OF PARADISE

- State of the Art Hostel for Boys & Girls
- Separate Mess for South & North Indian Students
- 24 Hour Internet through Wi-Fi campus
- RO Processed Drinking Water
- Mother care Medical facilities
- 24 Hour ATM facility
- Ramp facility for physically challenged

COLLEGE TRANSPORT FACILITIES

- 75 Buses and Vans for providing Transport facilities to the students from various places.
- Bus facility available from all towns and villages of Erode, Namakkal, Salem and Karur District.

SPORTS AND FITNESS CENTER

SPORTSMANSHIP BUILDS A STRONG NATION

Our college has a vast playground with all facilities. Students are encouraged to take part in various sports competition to strengthen their sports skills. Equal importance is given to boys and girls students with a view to shining in sports related activities.

Our college has both indoor and outdoor game facilities for both boys and girls students. The outdoor games such as Cricket, Volleyball, Badminton, Kho-Kho, Kabbadi, Tennis, Football, Hockey and indoor games such as Table tennis, Chess and Carrom are available.

Gnyan atheletic and annual sports meet are held every year to nurture the students latent skills and exhort them to actively participate in Zonal level and inter-collegiate sports events.

An exclusive gym with all advanced equipment is available for students to make them stay fit and healthy round the clock. Students are given training by an expert in the field.

ACCOLADES

- Zonal level first place in football (Held in AU level)
- Third position in Kabaddi (Held in AU level)

The directors of Physical education train the students painstakingly to make the students strong in their sports skills. Our college provides unwavering support and encouragement to the sports as equal to academic.
