ALUMNI TESTIMONIALS

Mr. Kavinraj P, Computer Science and Engineering

PayPal

Being a part of the 2016 Computer Science and Engineering batch at Gnanamani College of Technology was a life-shaping journey for me. The institution not only strengthened my technical knowledge but also nurtured confidence, discipline, and a mindset of continuous learning. The supportive faculty, hands-on projects, and industry-focused training encouraged me to push beyond my limits and strive for excellence. The strong academic foundation and consistent mentoring I received during my college years continue to guide me in my professional journey. I am truly grateful for the values, skills, and opportunities that Gnanamani College of Technology has given me. Proud to be an alumnus.

Mr. Ganesh V, Electronics and Communication Engineering

aspire SYSTEMS attention. always.

Gnanamani College of Technology is more than just a campus to me; it is where my dreams slowly took shape. During my B.E in Electronics and Communication Engineering, I found not only knowledge but also confidence and direction. The guidance of dedicated faculty and the encouragement to explore beyond textbooks made learning meaningful. Every classroom discussion and lab session added a small spark to my curiosity for technology. The friendships, challenges, and achievements together shaped both my character and career. I will always carry a sense of gratitude and pride for the foundation Gnanamani College of Technology has given me.

Mr. YogeshKumar G, Electrical and Electronics Engineering

EVIQtech

A wonderful experience of learning with academic exposure to the reputed industries and institutions. I have great respect, love and devotion for the entire faculty members and department, It's their effort that make me count myself to become a better professional in my future.

Ms. Swetha M, Biomedical Engineering

tcs TATA CONSULTANCY SERVICES

Hailing from a rural background, I successfully secured a position in an MNC, thanks to the dedicated support of our placement team and faculty. The college consistently offered valuable opportunities to develop our leadership abilities. I am truly thankful to Gnanamani College of Technology for the constant encouragement, care, and motivation throughout my journey.

Ms. Abinaya K, Mechanical Engineering

TWAD BOARD
TamilNadu Water Supply And Drainage Board
(Under Municipal Administration and Water Supply Department - MAWS)

Getting placed in the TWAD Board is a proud milestone in my academic journey. The strong technical foundation, practical exposure, and continuous mentoring provided at Gnanamani College of Technology played a vital role in my success. The department consistently emphasized conceptual clarity, real-time problem solving, and disciplined learning, which helped me confidently face the recruitment process. I am grateful to my institution for shaping my career and enabling me to secure this prestigious government position.
