MERIT SCHOLARSHIP POLICY

The Management extends support by waiving the tuition and community expenses to ensure that financial constraints do not hinder a student's education.

1. **Academic Eligibility:** Concessions are applicable to students who meet the required academic cut-off marks
2. **Family Circumstances:** Candidates may be granted a merit Scholarship if they come from a single-parent household or if the parent is the sole breadwinner of the family
3. **Sibling Preference:** Students with siblings (brothers or sisters) currently studying in GCT are eligible to apply for a concession.
4. **Documentation:** Students wishing to apply for a fee concession must produce official documentation, such as parents' income tax returns or valid proof of financial background.
5. **Policy on Financial Changes:** Once a merit Scholarship is granted, it is expected that the terms are honored. If the family's financial position improves significantly, the college must be informed. This allows the institution to reallocate the concession to other deserving students on the waiting list.
